P U S N E

The Honourable { Chancellor & Surveyor General  
Secretary } Col. Jesse Wharton

Lower house 23 May -

Whereas Captain Quigly brought into this house the Act for Building the State house and Prison at St. Maries and desires to know what Manner of Windows this house will have for the Prison, this house upon Debate thereof think fitt that the Windows be of Wood with Substantial Iron Bars and that the Wood of the Frame of the Windows be laid in Oyle, also made so large as to lye into the Brick work two foot and a half of a Side both above and Below the Windows to be Twenty Inches wide and thirty Inches high, three Iron Bars upright and two across the upright Iron Bars to be Inch and Quarter square and to be wrought into the two Inward Bars and that there be two Windows Below and one Window of Wood above, The Lower house desire the Upper houses Concurrence in this Vote -

Signed &c.

The Upper house do readily Concurr in this Vote -
