Amongst those Passers brought last P. Coll: Burges C<sup>t</sup> was his  
Lordships Letter Ordered to be Intered in this Journall  
Gentlemen

10th September 1681

This is the third time I have been Alarmed, as also the third time  
I now advise you thereof, the condition of Charles County is somewhat Desper-  
ate: and how soon other counties may feel the same you may easily Queſt, No  
Persons in their right Wits and Senses will any longer take such for their  
friends as Daily Robb and committ all manner of Insolencies on their Persons  
Nor can any Man think it safe to bear such any Longer; By a War agt.  
those Northern Indians somewhat may be Saved; but if no Speedy Course  
be taken, the Estates will first be theirs and then Our lives will be under their  
Mercies, I wish no Murders have already been committed if any I must  
Declare such ought not to Lye at my Door that have so often Sollicited you  
to Secure yourselves and those you Represent; and if my Word may be taken  
it was for that reason you were at this time called together

Your Loving friend F. Baltimore
