

Some Allowance to be made for the Security of them without the Charge of a Guard, that if any thing of Moment did Occure unto them: which would not require too Sedious a Debate his Lordship and this house would readily Join with them in any thing Reasonable —

Upper house November the 2. 1681

This house have appointed Coll: Love and Coll: Sailer when he comes to Join with the members of the Lower house appointed for the Committee of Acct.

Signed P. Order P. John Lewellin C of Assembly

Sent by Coll: Darnall and the house Adjourns to the Council Chamber at Vansweringens —

At the Council Chamber upper house mett according to Adjournment Where appeared as before and Coll: Sailer —

Mr: Cheseldyne from the Lower house comes with the Book of Laws & acquaints this house that the Lower house taking into Debate the Chancellors Speech, that part thereof that relates to the Security of Prisoners having occasion to peruse the Laws made for Court house and Prisons could not find the same in the Book did desire Search to be made amongst the Rolls that they might have a View thereof —

The Chancellor made Answer he would Provide it against Morning —

Mr: Cheseldyne returns

Mr: Larvile and Mr: Rousby come again from the Lower house to desire a Copy of his Lordships Declaration which they suppose may be in the hands of the Clerk of the Council —

They are answered that the same is not there but shall be procured for them, so soon as possibly they can — They return into the Lower house

House Adjourns till to Morrow ten a Clock

Upper house Mett November the 3. 1681

Present.

The Honourable { Philip Calvert Esq. Chanc. } Coll: Thomas Sailer - 9
 { William Calvert Esq. Secy. } Coll: Henry Darnall.
 { Vincent Love Esq. Sur Gen. } Capt: William Digges

Coll: Love and Coll: Sailer goes to the Committee of accounts

The Copy of his Lordships Declaration in Relation to his Proceedings the last Assembly being by Order of this house Transcribed by the Clerk of the Council is sent to the Lower house by Captain Digges with this following Message Viz.

Upper house November the 3. 1681.

This house having received Several Messages Yesterday from the Lower house for a View of his Lordships Declaration published in Ann a. uncu according to their promise made Application to his Lordship for a Copy which he hath this Day sent to this house and which this house now intends to send to the Lower house for their perusall. This house have further received in Charge from his Lordship to lett the Lower house know that the frequent Complaint of the Quakers in Ann Arundell County Moved his Lordship to m. uru.
