

The ease Commodity and Benefitt of the Commonalty as the honour of the Province
... after so many Days Spent thereupon as is granted by the Upper
... that severall most necessary Alterations, and Amendments were
... that by a third Commitment
... without making Sufficient provision in an
... of this weight and Moment, and since so great Delay can
... then a Bill so much desired
... to defer it untill another Sessions; This house
... to the Vote of this house yesterday sent to the Upper
... Doctor Brock

Order No. Crummin of the Lower house

... was also brought this following Paper
of Amendments first
... for the Bill for Advancement of Trade
... there is no saving
... which seems severe to be Compelled from him

... notwithstanding every reason that may happen
... as shall be made Choice on
... no ready payment proposed, but every such
... as every bill shall be taken
... in manner as followeth

... divided into one hundred parts of half pence
... than ever will be
... and keeping good which
... sitting in the said Town

... in the 10th Article is hardly
... of the several Goods & Merchandizes to
... it is intended that the several
... to the Town before any labor
... to be first
... and barely delivered at such time as shall be
... to the Design of the Act which
... of the said Act which

... of the said Act which
... of the said Act which
... of the said Act which
... of the said Act which
... of the said Act which

... of the said Act which
... of the said Act which
... of the said Act which
... of the said Act which
... of the said Act which
