

By the house of Assembly 13th May 1692.

This house in a former Message signified to your honours that they had appointed certain hours of meeting to the end Business might be the better expedited hoping that your honours would be so intimate to this house something of the same nature ordered in council whereby a due Correspondency might be kept betwixt your Honours and this house they do humbly require an Answer to it

Signed & Order Henry Denton Clerk of the Assembly.

The house being adjourned his answer of the foregoing Message is referred till to Morrow Morning, and the Court proceeds to discourse the Indians, the Emperor accordingly called in, and is advised that his Excellency the Governor in their Majesties Names offers them the continuance of the Peace and Amity formerly made with them and that Articles shall be drawn accordingly between them if they accept thereof

Emperor
Court
Says they readily embrace and kindly accept thereof -
Some Mischief lately done by Indians to the Inhabitants their Majestys Subjects, which he is required to make Discovery of by whom done and the Actors thereof delivers up to Justice -

Emperor
Court
Denys to know any thing of it but if he can will willingly Discover it
It is desired that some other of his Indians may be discourses and Examined apart -

Emperor
Court
He consents thereto -
What Strange Indians are those now among them, and wherefore
Intertained by them without Notice given, contrary to the former Articles
Emp.
They are Delaware Indians in Peace and Amity with the English and therefore Intertained by them -

He is at present dismissed and Coll Hudsons appointed to Entertain him apart whilst other Indians are called in and Examined

The King of Mattanoman with another of his great Men are called in
Court
He is informed that his Excellency comes now to renew the Peace formerly made with him by this Governmt. Quod if he accepts thereof

King
The same is most kindly accepted, he is very Antient and had much Aice to come so far a Journey out of an earnest desire and Inclination he had to see the Governor which he is very Glad he had now done -

Court
Some Indians had lately Committed some Outrages upon the Inhabitants, Quod if he know any thing thereof, and if so to discover the Actors -

King
Very desirous to make and Renew a firm and lasting League of Friendship would have all that is evil cast away, did they know who were the Persons that Committed the same would most certainly make the Discovery

Court
Was then produced and shew'd to them a painted and Carved Stick found and taken up hard by the Place where the late Mischief was Committed Quod the Opinion of the same -

King
It is the Custom of the French Canada Indians to make use
