By the Governor and Council in Assembly June the 2<sup>d</sup> 1692

This Bill with the above amendments this Board still recommends to the House as not finding upon their Journals any Concurrences with them therein under the Penalty desired  
Signed in Order  
J. Hewell Clerk

Sent to the House by Captain Courts

William Macey Master of the Ship Providence of London petitions the Board that whereas having been seized and twice informed against by Mr Randolph the Kings Surveyor and answered and acquitted himself and his wife of both the said Informations he is now arrested at the Kings suit by the procurement of the said Randolph upon suggestion of false informations of having forged a Certificate and Copied from their Majesty's Customhouse London and bound to answer at next Provincial Court he prays that he may be brought to a speedy Trial before their Majesty's Justice of a Special Court of Oyer and Terminer now already appointed before whom the two former Informations were tried or that as to this Honble Board should be deemed

Referred to further consideration

Came from the House Mr Dent, Mr Jones, Mr Watson
