

June the 3 1692 in the Council Chamber

H. M. Excellency the Governor

} Col ^o Blakiston	} Col ^o Hutchins	} Captain Addison			
			} Col ^o Jones	} Col ^o Browne	} Captain Courts

I went to read the Bills brought hither yesterday by Mr^r Demerz

The Act Ascertainyng the Commissioners Expences in the Provincial and County Courts (Remark) that the Justices of the Provincial Court though of the Council / if they appeared Courts to Officers & Justices ought to have the same Allowance with the rest as doing the same Duty and being at a great distance.

The Supplementary Act to the Act for the Annual Revenue &c^d Referred to the Consideration of the Board (Remark viz) this Act to Continue for three years certain without Reference to the next Assembly and to commence from the publication of the Act

The Act for selling Naval Officers Licenses within this Province (Remark viz) the fees set by the Act seem very unequal and disproportionate as to the different Brides of the Ships and it is therefore rather proposed that the same method be taken here as in Virginia that all Masters or others there concerned may be at Certainty in both Governments so near adjacent

The Act ascertainyng what Laws are repealed within this Province (Remark viz) for the better and Greater Certainty of what Laws are in force and what not It is thought more proper to Appoint one and to repeal and make void all Laws in general heretofore made in this Province except what upon the Review of the Body of those Laws this present Session have deemed fit and convenient for the good Government of this Province

I brought from the House by Mr^r Wynn several Bills which he presents to the Board viz

- An Act of Recognition &c^d (Endorsed) June the third 1692 Read the 1st time
- An Act of Naturalization (Endorsed) June the third 1692 Read the 1st time

An Act for the Settlement of an Annual Revenue upon His Majesty's Province within this Province for the time being Endorsed June 2^d read first time 3^d read 3^d time

The above mentioned Bills viz for ascertainyng the
