 House that he should further to collect the High Port duties
 it being intended to be collected by the Collector and Naval Officer the same
 to be signed and published by and order of this Board to be set up in the Col-
 lector's Office

By his Excellency the Governor and Council in Assembly
 June 8 1792

Maryland

Ordered that the several Officers and Agents of the Lord
 Baltimore appointed to collect his Lordship's part of the Shipping duties
 do henceforth succeed in the collection and receiving the Port duties of
 High Port ships and Ships Trading here the same being adjudged
 by Act of Assembly to be the Country duties and to be collected by the
 Naval Officer appointed by his Excellency in the several entering Ports
 in this Province

Signed by Order

Queller (the

A Petition preferred by the Inhabitants of Kent County on the
 North Side of Charles River praying that if the Island of Kent be
 separated from the main County of it self a reasonable Number of
 the Inland lands on the South side of Sepafas River may be added
 to them.

His Excellency declares to the Board that he desires to be more
 fully informed of the nature of the petition and of the convenience of
 granting the same and will further consider thereof

A Petition preferred by the Inhabitants of the South Side of Sepa-
 fas River in Kent County setting forth that their Count being holden
 on the North side of the said River to their great damage and inconvenience
 and hazard in bad weather especially pray therefore to be joined to Kent
 County in manner as the Inhabitants of Kent County
 on the North Side of Charles River by their Petition have prayed

The same is now given them to the Inhabitants of Kent
 County

It is also given to the several Merchants Factors
 Traders and other Inhabitants and Residents in Kent
 County together with several Masters of Ships and other Ships
 trading into the Province with notice of their subscription pray-
 ing that the Town of before for the convenience of the
