The said Col^d John Addison desires that what Tobacco is left still unpaid he is ready to pay and satisfy

Reading of Henry Dinton John Pomeroy and Thomas Melt about Allowance for publick Services done the which being read it was Ordered that a Conference be had with the house to know how publick Use shall be proved and to take care that all due Orders be paid

Ordered that Edward Randolph Esq^r be Joyned to the Committee of Law and Use in stating the Revenue &c

The following Bills read viz

An Act for the Laying an Imposition on several Commodities exported out of this province

The yeare of Opinion that the Imposition put upon the furs is too Great and therefore propose that half the said duty be put upon the Inhabitants and double upon the Foreigners Excepting Merchants from England and their Factors here and every coming hither

A Clause to be added to the said Law to empower any Magistrate or his deputy to go on board any Ship or vessel and break open any Lock Hatch or trap or to search for all Concealed Goods or to search any house by the same power

A Supplemental Act to the Act Concerning Water Mills it is proposed that a sixth part be allowed for grinding wheat as formerly otherwise it is thought there will be no wheat ground the said bills and Remarks thereon delivered by Order to the Clerk of the House of Burgesses by the Clerk of this Board
