

This Board does agree to the said Vote and likewise it is hereby ordered that the said persons take the said Oath before one of their Majestys honorable Council as likewise subscribe to the test which shall be deemed sufficient

Another Vote relating to the Act for Imposition on furs read as follows viz

By the Burgesses of Assembly Oct^r 16 1694

That whereas a former Vote hath passed the House that no new Bills shall pass on the house either upon any further Business than what lies before them this Session of Assembly the House prays that the Act for Imposition on furs may remain as it is without any Alterations at present And that the Alterations proposed to be made in the said Act may be referred until the next Sessions of Assembly

Signed by Order

C. Somers Ch^r of Assembly

This Board does agree and consent to the Vote of the House of Burgesses therein

Another Vote relating to the Security of the Province read as follows

viz

By the Burgesses of Assembly Oct^r 4 1694

Upon reading the Act of Assembly for the Security and defence of this Province the House doth conceive that the said Act doth sufficiently provide according to all the proposals of his Excellency the Governour and Council which we desire may so remain until further Consideration

Signed by Order

C. Somers Ch^r of Assembly

Which being Read Ordered that all those proposals in Council relating to the Militia be drawn out and sent to each respective County

Another Vote relating to the Allowance to be made their Majestys honorable Council read as follows viz

By the Burgesses of Assembly Oct^r 16 1694
