20 Upon reading a Letter from the right Honourable their Excellencies the Lords Justices
Commissioners of the 20th of April last past concerning Account of the French's Prepara-
tions for Shipping and otherwise in Order to make an Attempt against some parts
of America and taking into Consideration some High Information here read relat-
ing to the Privateer which without Interruption came within three or four miles
of Herring Bay both which Letter and Information are laid before the House this
Board does therefore think fit to Represent to the House how scalded by the Ships bye
too and again in the Country whereby they are both unable to fast one another as also
incapable of being assisted by the Government proposed therefore that a way be found
out that they may ride together in particular Ports to be assigned
