Captain Galted body and model with before Excellency and Council
that he once passed a description border the flourie about 13 or 14 years ago
for which he brought in a Certificate of discharge next year and delivered it to Mr
Honeybee

March 20 1698

The bill will again act and new Princes Yesterday

The honorable Thomas Finch and James Frydylog are sent down to the
House with the Bill yesterday next and the more several of the messagers is also
remains representative of the House through the 24 Instant they return and say
they are those messagers

Come from the House of Deputies: Mr Kitchin and Mr Sanders who say
they that the House has appointed some of their members to Tenor Conference with
some of the Majesty's council about the ordinary Regis and securing
them by who will be those of the House will stand up these members shall be
taken

Come up yesterday from the House: Mr Sanders Mr Wimer
Mr Charles Matthews Mr Prussian Kalle Mr Geryellman Mr Samuel Collins
and Mr William Matthews to return his Majesty's honorable Council being by
their request they present a copy of the said Particular

It is considered and agreed to be absolutely necessary that In or Public
House of Encouragement should be kept at all their Court Houses and upon the
Road

It is thought that the Inward list of 15 pounds for regulating Ordinances which
are now made and are variously and not so to be punctually observed
by the said that they should be in the said list but for Encouragement of such
as will be put down there upon the Road it is thought that the keeping four pence
a year and putting down there shall be sufficient and that they may be permitted
to keep such there paying only 2 pence. Majesty's Secretary the sum of 400 Tobacco Year
ly for their house and their supplementary list be provided therefore but that they
be under the same limitation as other Inns except before except that the Justice
of the Peace shall have some of 20 to be given by the Inholder that they
may not be taken there. There being at their House as a frequent in the Country
if the matter of raising been thought only. Matter of this list it is taken into con-
sideration

It is considered and agreed that in their Expedition can be found for securing Foreign
Bills as the present limitation of the Country now stands thereby drawing his Excellency
it may be passed to prevent the said limitation. Such as shall during all future from receiving
any bill from any manner of ships. That when they shall pass a receipt for
any such bill they shall be liable for any bill of receiving to be taken under a Penalty
of Imprisonment of one Month and shall be liable to have any such bill arrested or kept
in any place where they shall be liable to be taken under a Penalty of Imprisonment of one
Month and any other name of

The honorable will that the said Bill be taken up in the House of Commons by Bill
and that the said Bill be taken up in the House of Commons by Bill

The honorable will that the said Bill be taken up in the House of Commons by Bill
and that the said Bill be taken up in the House of Commons by Bill
