

transmitted. Two Ord. were injoin'd before that
Assembly though several of the same -
Nature were transmitted under ones Title
And that at that time there was all possible
due care taken that nothing should be
inserted in any of them infringing the Princes
Privilege or standing agt. the Subjects
But that as to the Act of Religion, It having
long slept, and being a Law to the subvertall to the
prosperity and well fare of this province It
was even absolutely necessary to be re-annatid.

It is Eny's pleasure to shew the Board by own
letter to their Lordships in answer to their
and the Board upon further consid^{er}ation
had of their Lordships said letter and reflecting
they had run into the like error as to the
Law for ascertaining of Law etc. - Do
propose Advice and resolve that upon the
next meeting of the Assembly it be recommended
to them to revise and make good that Law
which is not at all doubt
and further that this Board will write
to their Lordships in answer to their letter of
about Revising the Law etc. And accordingly
Do write the following Letter.

May it please your Lordships
