

and take her toward home, to which all y^eward
saying M^r Smith and M^r French sayth. 1600
Not think it dangerous for what we have
no certainty of a true discovery

But that the observed Masters & Naval
Officers give notice to the severall Masters
of Ships clearing with them that they may
if they think fit for their better security call
in Virginia and take the opportunity of the
Ships Company of which M^r De. the Govern
of Virginia has been so kind to give notice to
the Government.

Read some proceedings of his Excellency the
Governor and Council in Virginia relating to
Cap^t Peter God and Sir Mathw^s Edwice Esq^r
Messengers under his Comand which are as
followeth

Virginia On Sir Mathw^s Royal Comand of William
and Mary the 25th day of April 1601

Present

His Excellency in Council

His Excellency was pleased to lay before the
Council a Letter from his Excellency Govern
of Maryland Dated the 4th of April 1601 wherein
he Communicates to his Ex^{ty} that himselfe and
Cap^t Quary had some discourse and concluded
it very necessary to send Cap^t God to Cruise in
Delaware Bay in the time of the summer
they thought might do his Maty's service
