An Act for to Encourage the Importing  
into this Province, which being read the  
remarks were thereupon made and sent to the  
House by W. Jones, W. Smith, M. Johnson  
By his Excellency the Governor and Council  
in Assembly May the 16. 1701

The Bill proposed to Encourage the Importing  
into this Province having been read at  
all this Board. It is remarked thereupon  
that at present as the Law for Religion is  
the Society of poor men stands this Law seems  
to be somewhat therein with will to in great  
Measure infringed if not occasioned to be  
wholly abrogated thereby.  
It is further remarked that the Society of  
Country Men being much poorer than  
them to declare and. Further at  
may. Shall pay from the  
get. all his
