a Bill for raising an Impost of 5 p cent
Tobacco for defraying the
right of the Province, read and with
pass with these Amendments.

That the duty to be raised and paid, to the
Mates, and be appropriated to the defraying
the publick Charge of the Province.

Also a proposed Ordinance for a house
to be built for the powder fifteen feet long
and ten feet wide, which the Board think
will not be strong enough for the
purpose, and not room enough to turn y powder
therefore recommended the said house be
fifteen feet long and 15 feet wide.

Which said Ordinance and Bills with
the Remarks are sent to the House by James
Fruith Esq and Col. Francis Jenkins.

Came Major William Dent and Lt. Col. Jacob
Loderick and again bring up a Bill for
the Impost of Tobacco to the said House
as to the first part of the Remarks, that
money to be raised and paid to the King
amended as proposed, but as to 4
