

in the year 1701  
the House are to be considered in the  
former

But the House being informed pub-  
licly that the House had been informed  
which the Act for former Impediments  
but the Act is rejected as Novel and the  
other insisted on as most proper.

Which succeeded upon the Bill M.  
Smith and Col. Francis Jenkins were  
brought to the House therewith.

Ordered and desired by the Honourable  
Council that His Excellency the Gov: will  
pay M. Richard Beard Twenty pounds  
per Annum for Boarding, Fixing, and keeping  
in repair the Ordnance Store in Town  
and that when more shall be desired  
be pleased to Agree with him and pay him  
for them Likewise out of the Tuly of 3  
the quantity of His most Sacred Majesty for the  
Supply of the Country with Arms and Ammu-  
nition.

Came Major William Dent and Col. John  
Cunliffe and bring up the Bill for Relief  
of 3<sup>d</sup> of the said with the Alteration proposed  
which was read and taken in the House by  
Yeas (Spoke) by Mr. John Hammond  
Came M.<sup>r</sup> Richard Tilghman and Major  
Edward Dorsey who bring the proposed
