

man.

Marty and some others in a certain
Tribunal the same.

Also the Commission they are ...
the raising and carrying ...
Deputies from Government has had about his
Marty Immediate Government. But what does
... they have made thereby they cannot
... but believe it has at some times
... means to require and money from the
Marty Government. And for some time and till
... do to do from this Province to
...
That Government before Government. ...
... arrival there did give accounts ...
... to facilitate ...
... servants going from hence and did
... impede than further their Return
... upon the arrival gave some
... and continued to do
... especially to ...
...
That they have been ...
... many. ... have reported
... and in great probability
... contributed much to the ...
... and to understand that ...
