*Whereas*, It is highly probable the militia of this state will be called into actual service the next summer for the purpose of repelling the attacks of the enemy. Should this be the case considerable expense will necessarily be incurred, and although only a part of the loan authorised by the resolution of May session last has yet been negotiated and appropriated, yet as it is very possible the balance will not be sufficient to meet the expenditure which the employment of the militia during the next year may occasion; therefore to prevent the necessity of an extra session of the legislature which the occurrence of such an event would render indispensably necessary. *Be it resolved*, That the treasurer of the western shore be, & he is hereby authorised to negotiate a loan, on such terms and at such periods as the governor and council shall approve, not exceeding the sum of one hundred and fifty thousand dollars; and the faith of the state is hereby pledged for the repayment of the principal and interest thereof.
