

## Amendments proposed:

In the 5th section, strike out the words "and nineteenth," in the 6th line, introduce the following, after the end of the 5th section.

Section 6th, And be it enacted, That whenever it shall be necessary for the said company to require a condemnation of any materials for repairing the said canal or its appurtenant works, the said company or their properly authorized agent, may immediately take and use the same, having first caused the property wanted, to be viewed by a jury, and it shall not be necessary after such view, to wait the issue of the proceedings upon such view—Provided, that the said company, their officers, or agents shall not occupy, hold, or possess any piece or parcel of land, without the consent of the owner or owners thereof, longer than the said jury shall declare necessary for obtaining earth, stone, timber or other materials needed at the time for repairing the said canal, and its appurtenant works.

4th section, after the word "owners" in the 8th line, strike out the remainder of the section. The bill was then read the second time.

The clerk of the house of delegates delivered a bill, entitled, An act relating to the Baltimore and Susquehanna rail road company which was read the first time, and referred to the committee on internal improvement.

Mr. Mayer submitted the following report, which was read and concurred in.

The committee appointed on the part of the senate upon the memorial of the Bank of Baltimore, and other banks in the city of Baltimore have, in conjunction with a like committee on the part of the house of delegates, inquired into and minutely considered the subjects of the memorial.

There are several distinct topics of investigation upon which legislative action is asked by the memorial; and the committee deem it, therefore, proper to present several reports on the respective subjects.

The complaints and suggestions of the memorial are in substance:

1. That the Maryland Savings' Institution has violated its charter, and assumed banking privileges, and has thus not only interfered with the interests of the memorialists, and with exclusive rights which they assert, but has also rendered itself obnoxious to the animadversion of the state and to
