your excellency; the enclosed resolutions, providing (if the legislature of Virginia should concur) for the adjustment of the boundary line between this state and the commonwealth of Virginia.

The legislature of Maryland have repeatedly manifested an anxious desire for the amicable adjustment and definitive settlement of the aforesaid boundary line, and as the provision now made for that purpose will, if concurred in by Virginia, insure the accomplishment of that interesting object, in a manner so impartial that it cannot fail to be satisfactory. I indulge the hope that your excellency, participating as it is not doubted that you do, in the desire to terminate the uncertainty so long existing upon this subject, will submit the resolutions to the favorable consideration of the legislature of Virginia at their next session.

With the highest consideration,

I have the honor to remain,

Your Excellency's most ob. servt.

JOS. KENT.

His Excellency JOHN TYLER,  
Governor of Virginia,  
Richmond.
