

inconvenience. We have been paying taxes in Allegany county, and doing every public duty as citizens, and we are now called on to do the same duties and pay taxes in the county of Preston, and our property threatened to be sold if their demands are not promptly paid. We have long been living in Maryland, and have no other protection, we therefore trust that the honorable legislature will consider our case, and give us some relief from our oppressors, for which we feel in duty bound to pray.
