

red the letter of John L. Kerr, Esq. offering for the acceptance of the legislature, the autograph copy of a History of Maryland, from its first settlement in 1633, to the restoration in 1660, by John L. Bozman, deceased:

Report, That they have given to the subject all the reflection and examination, which the great pressure of other business at this late period of the session would allow; but, as that examination has been necessarily too cursory, and insufficient to enable them to express a decided opinion as to its merits, they content themselves with recommending with great respect and deference for its distinguished author, that this evidence of his literary labors be referred to B. S. Pigman and Charles F. Mayer, Esquires, for the purpose of their carefully examining the same, and reporting to the Legislature at its next session upon the expediency of publishing said history.

Mr. Mayer presented the petition of Daniel B. Banks and others praying the incorporation of the Traders Funding Society.

Which was read and referred to Messrs. Mayer, Montgomery and Claude.

On motion of Mr. Morris,

The bill entitled, an act to repeal an act for the establishment and support of public free schools in the first election district of Baltimore county and the several supplements thereto.

Was read the third time by special order passed and sent to the house of delegates.

Mr. Morris from the committee on revolutionary claims, to which was referred the resolution in favor of Thomas Jones, reported favorably thereon.

It was read the second and by special order the third time, assented to and returned to the house of delegates.

The senate adjourned until 5 o'clock, P. M.
