Frostburg, Dec. 7th, 1834.

Messrs. Frost and Hoye Commissioners
for the Cumberland Road, in the State
of Maryland.

GENTLEMEN,

The operations under the acts of Congress for repairing the Cumberland Road, of which you are the Commissioners of the State of Maryland, are now completed on twenty-six miles thereof, being all that part within the limits of the State authorised by law to be repaired.

I have therefore in behalf of the United States, and acting under instructions from the War Department, to request your attention thereto, that the Road may be taken under your charge and kept in repair according to the intent and meaning of the act of Congress, and of the Legislature of the State of Maryland.

Be pleased to communicate to me at Brownsville when it may suit your convenience to receive the Road under your charge.

Respectfully,

Your obed't serv't
