The Senate would cheerfully relieve your honorable body from this trouble, if it had the constitutional power to originate any bill or resolution, which would accomplish the object in view. This, however, is not the case—they therefore ask leave respectfully and earnestly to suggest to your honorable body the justice and propriety of giving to the Clk. of the Senate some compensation proportionate to the labor already done, and to make such increase in his salary as may be deemed needful and proper.

Mr. Mayer submitted the following message, which was read and adopted:

By the Senate,

March 3d, 1835.

Gentlemen of the House of Delegates,

The subject of the revision and digesting of our Acts of Assembly, under the resolution passed at December session, of the year 1825, No 95, appears to us to be proper for the attention of the Legislature at its present session. With that view, we suggest to your honorable body the appointment of a committee on this subject, on the part of your body, to meet a like committee on the part of the Senate. We have appointed, as the committee on the part of the Senate, Messrs. Mayer, Pigman, Groome, Forrest, and Emory.

By order,

J. H. Nicholson, Clk.

Mr. Wootton, from the committee to which was referred the bill entitled, an act for the relief of Isaac G. Magruder, collector of the county tax for Prince George's county, reported favourably thereon.

It was read the second, and by special order the third time, passed, and returned to the House of Delegates.

Mr. Emory, from the committee to which was referred the bill entitled, an act to appoint a collector to complete the collections of the late George Parsons, former sheriff and collector of Worcester county, reported that the committee had had said bill under consideration, and were of opinion it ought not to pass.

It was read the second, and by special order the third time, rejected, and returned to the House of Delegates.
