

by themselves and to have a negative but it was not granted by the Lieut General

Then upon motion made of a march against the they expressing a great Opposition to it the Lieut General told the Burgeses he did not intend to advise with them whether there should be a march or not for that Judgment belonged solely to himself as appeared by the Clause of the Patent touching the power of war and peace but to see what assistance they would contribute to it in case he should think fit to go; and a motion was made by the Secy that a Bill might be drawn up for the levying of 20 of tobacco p head toward the charge of it where to the Burgeses desired to have the Patent to peruse & peruse till next morning to advise of their answer

Whereupon the house was adjourned till the third Beating of the drum next morning
