

The house allowed of all the Acts brought in and orde-
red that each other should give an Acquittance from
the beginning of the world belonging to this present
Session (Petitioners) to this present day

Was read a new Act touching the Gov^t of the
Province

The house desired to consider of it till afternoon

The house adjourned by the Governor till 2 O'clock
afternoon

Monday afternoon

All assembled as afore

Was read again a new Act touching the Governor of the
Province

The whole rejected the present bill and Voted the
former Bill should be engrossed and the Governor de-
mand it

Was read an Act for the Repeal &c^o

Upon the Petition of Thomas Thornborough for
a House which Governor Calvert had promised him
the House could not find that any delivery was made
thereof and therefore the Property never altered

The house adjourned by the Governor till Thurs-
day 9 O'clock

Mr Thornborough appointed Francis Posse
his Proxie

Thursday 3 February

The Governor and Members all assembled except
Thomas Hobden who was excused by sickness & Fran-
cis Posse Proxie for Mr Thornborough
