

of Tobacco & more if it be between 500 and 1000 Acres then for
 the first 500 as aforesaid for all above 1^{lb} Tobacco for every ten Acres
 For entering a Survey upon his Book 5^{lb} Tobacco for describing
 a Plot of the Grant if it be 100 Acres or under 10^{lb} Tobacco if above
 then 5^{lb} Tobacco for every hundred Acres for certifying a Survey
 5^{lb} Tobacco Besides these Fees the Surveyor may demand for
 his coming to survey any Plot of Ground and going home if
 the place be distant from his usual Habitation twenty miles
 or under 40^{lb} Tobacco if above twenty miles and under 40, eight
 Pounds of Tobacco and so pro Rato

But if divers make use of such going and coming the
 Surveyor is either to part the said Fee for it rateably amongst
 all that make use of it or else the Party employing him may
 refuse to let others have the Benefit of it: unless such as will
 Contribute or Compound for it

And the Party employing the Surveyor is to find him
 a Boat and hands in case he cannot conveniently go by
 Land and Victuals out and home and the Surveyor for the
 present shall attend three months to survey any Land to which
 he shall be required within St Marys or Charles Counties or
 upon any part of Patuxent River there being divers old titles
 to Land due only to the Inhabitants thereof which may not
 suffer delay the next two months he shall give attendance
 in Annapolis County and the next month after in Kent
 County if it be necessary for his so long attendance in any of
 the said Counties if not he may abide where he shall find
 it most requisite for his employment if the Governor shall
 think fit

An Order for the raising of the
 Series
