The Act of Gratitudes for the present Governour

Whereas severall fears and jealousies have been
raised in this Province by some ill affected and
affected or discontented spirits touching his
Government seeking to alienate the minds and affections
of the Inhabitants from his L^{ty} and his Governour
and Governour without just cause the contrary whereof
now evidently appeared to us Assembled in this
General Assembly as may be Justified by many
particulars as his frequent Declarations from his
L^{ty}. But now more especially in his gracious Com-
mending that his only bound and undoubted duty to
and live amongst us, not only to Govern us in our
due obedience, but also to relieve us in all our
as by his L^{ty} and gracious Declaration to us in the
very beginning of his Assembly was proposed and
delivered, And that as soon as may in no way
doubt of his good will and affection towards us all
the Wellfare of this Province, well knowing that the
benefit of Governour must redound to our own
good, And that unless these Inhabitants of this Province
doe their fully contribute towards the maintenance
whereof they may in time be bound want their
now they greatly enjoy therefore to express
our hearty well wishes, and as far as the
of this Province shall now well beare considering
the new world will fall upon us and must be great
