

filling with cattle think it fitt: to repeat  
the whole that you be let it pass without  
word or vizt) with license from the Lieutenant General  
that they be desired to draw up an Act for  
the Repeal of it.

Upon the list called the list of certain acts  
to be drawn up by the upper house was ordered  
with

How many of these Acts as the lower house thought  
fitt to draw are already drawn:

All Henry Dowell was sent to the lower house  
with all the Acts assented unto by the house  
of the upper house.

Upon reading the act Entituled an Act for  
the better regulation of the trade of tobacco  
to be drawn up by the lower house

ordered that the lower house be desired that in  
stead of those words in the Act for the value thereof  
in tobacco those words be inserted or 3. of tobacco

(then came M<sup>r</sup>. John Bowman.)

then came a Message from the lower house that desired  
that since the Act Entituled an Act for Addition to  
and Amendment of the Act for the better regulation of  
the trade of tobacco was Rejected by  
the Major House of the lower house, they desired that the  
Act made by the last Assembly Entituled an Act  
concerning the Secretary and addition to his office  
might stand and be in force as it is.

Resolved that it be putt to the vote whether the Act  
made by the last Assembly Entituled an Act concerning  
the Secretary and addition to his office shall stand  
or be in force as it is or not.

Resolved upon that no show  
M<sup>r</sup>. M<sup>r</sup>. Pitts opinion is that it pass.  
The Chancellor's opinion is that it ought not to continue  
as it is.

M<sup>r</sup>. Lloyd's opinion not to continue as it is  
M<sup>r</sup>. Dowell not to continue as it is  
M<sup>r</sup>. Courty not to continue as it is  
M<sup>r</sup>. Bowman not to continue as it is  
M<sup>r</sup>. Gougeon's that it continue  
M<sup>r</sup>. Secretary that it continue
