

Sasquahannock - to the service
 of the Province and people thereof in
 general from the fur trade of lower
 Canada. they do not conceive that
 have sufficiently provided for the
 Army at in providing for the
 number of men though at present an
 expense as they for men may
 only being able to induce the
 to employ as small a number in
 the head of all the Rivers on the
 and Eastern shores.

Wherefore the House doth not move
 desire the lower House to resume the
 to lay the common security to heart and
 sufficiently provided for it

Wm Pitt

The House adjourned till Afternoon
 The House met again as before
 with Mr. Pitt

Then came a messenger from the lower
 House with the following paper as answer
 to the paper above (vizt)

Sept. 19th 1764

In answer to the paper sent down from
 the Upper House
 The House say that they allowed the
 Grants made for the Encouragement of the
 Trade that they do not think the Government
 may have been upon all occasions
 frequently may promise they

Wm Pitt

The Upper House desire the lower House
 to draw up the first proposition into an
