

... to have a copy of the Lord's Prayer
... that they may be better
... upon his Lord's Prayer
... which was expressed

That they might have a copy the night the
mornings

The house adjourned till tomorrow morn-
ning of the Clerk being at the house
where Mr Williams kept his shop

Friday 20th Apr. 1669
Present The Hon. Charles Calvert Esq
Philip Calvert Esq

From Wm. Baker, Bookseller, & his man
and Wm. Calvert Esq

It was sent to the Lower house the copy
of the Lord's Prayer & Charter

On Saturday 21st that Charles Nichol
in his sermon on Wednesday last to the Lower
house did say that they should be aware of the
sin of permission of that they were now in
or extended both by God & man & have a
power put into their hands, & the Country had
often had an Assembly but never an assembly
that for great indignation was at from
that he would have wished that they had read
the proceedings of the Command of England
for what great things they had done & now
let me beg of you to consider the poor peo-
ple for the Lord will hear their cause you are no
unconscionable how heavy the tax was upon the
the last year therefore let me desire of you
to be aware of by that sin of permission for the
an old saying sit a Boy at a house, barter
at with a Doe, see yet a child, a house, barter
so he will be afraid to guide the wife, therefore
let me desire you to go on with courage for
you have a power of you. sit a Boy at a house
