

only power of appointing day of Session
 of public debate. As to
 the House, though his house will be
 with great of Province, as well
 his house not long after of his
 upon a full & long debate, as
 upon this Province. But
 is upon ground upon great
 care otherwise than
 the good to resumption of
 to of your house as
 be more proper than
 Province

of middle of Province our credit of of purpose. As fact, his
 shipping, for we are not willing to act or determine any
 will may reflect upon his rights, interest, or prerogative
 without especial direction from himself. And if it
 be now proposed, as some years before it may be. The
 may prove very prejudicial to the Good Proprietors: In
 reason to believe, that this Province will be much depopulated
 by such occasion: it is what other provinces it may wish to be
 disadvantage of his Highness's rule & dignity over this Province,
 presume his Highness is more sensible than our selves. And therefore
 We the Burgesses of this present Great Assembly, do
 Judge that in duty we are bound to apply our selves to his
 whose preservation on his just rights & dignity, do we necessarily
 come out to this Province peace & tranquility. That if
 shall conclude it necessary that a Commission be made of years
 In order thereto, This Assembly (if the Lord's Grace think fit)
