But of Upper house being chosen
involved into a Committee, to prepare them
morning as is given them in the
The house divided by the speaker his 2
afternoon.

Wednesday 2^d of Clock afternoon.

The house called. All present (except as before, the those house members
of the Committee).
The Committee, into this house, making relation of what
was achieved on writing, the speaker by them in the Upper house, vizt,
The lower house humbly desires that there may be a right
understanding between both houses, & that they hope for preference will
be given. And as to the words (that is not false) was never intended to
be given to the Upper house, But that for preference and such
reasons. This house humbly desires that the Upper house would be pleased
to allow them understand their reasons to suggest, & that they are
not to be done away on this house, but managed by the
