

Ms. B. 6. April 10-May 1. Town House Journal Original State Papers.

... in a manner forced by King by their  
... to make room for them to be  
... of some weight. But from  
... 40<sup>th</sup> that never was  
... work forking. But  
... Shippers barely coming  
... importation of goods to  
... of Tob. only  
... see that, we  
... goods better to purchase  
... expenses for it  
... that never was. And if we  
... (up, now only to  
... then to carry  
... by those, whose  
... have before hand, they can have none  
... loading this way  
... be not  
... England can afford others  
... of grinding of face of  
... had reduced already  
... Province, to a condition  
... than their  
... of being, which  
... the third reason is  
... to maintain  
... of Secours, to  
... more weight in  
... for planting  
... than in  
... of Secours  
... of Secours  
... of Secours  
... of Secours  
... of Secours
