

Thomas Brooke present to the Upper House
Petition for Act for Regulating the

into this House, & humbly acknow-
ledge the favour & then departed
of Daniel Jenifer praying for
to be confined to himself his
Petition is thus (viz)

he is that there be kept in
of the Committee said to be
John George El-

that appear, to be kept in
to be in the office of the
House of Commons, as to provide either
overhead & gardens there belonging.

William Albert Esq^r messenger to present of some to the Upper
House. who returns & brought down to him of General
Ordinary account, a little before sent from this House, requesting
that House to examine of rates there charged. To which

The Opinion of the Upper House herein is That they think
Cent. 1st Cent profit enough for the Wm^m Smyth, & doe
desire the Lower House to examine of rates. John George El-

Ordered by Capt. James Neale, M^r. Richard Smyth, M^r. The
mas Thoroughgood & C^o. Board Howe be a Committee to ex-
amine the accounts of Wm^m Smyth, relating to the general
account, as to the rates of Wine, & other Liquors, Sugar & other
materials charged in that account. And to make Report to
this House, what has been charged over & above one Cent
profit, according to best of their Judgment & information, by some
