Moray's first request,
by the Duke.

Bayle, Rich and Quaker
did not to not record.

Capt. Banger our survey Mr. John May
to be a Quaker for inspection of the land
around, and also to lay the public
that purpose.

Left Monday morning 11 a clock

for a number in writing

That the young hath our gratefully please for the most
speedy dispatch of the publick affairs, and to keep a warm correspondence
with the members of the two houses to remove himself and family to
John's where his house hath been open and free to all eyes, whether we
ought not to gratify him with a supply in the next way towards
fraying those his house great charge and expense.
