

1674/5 February 12-23. Lower House Journal. Original State Papers.

20

the upp Court with munition.
I wish the Governour is willing if he hath any

to know that their may be special Grants
relating to Masters of Shippes and Marchants
in this Province, and that the Governour
shall have the power of the Governour
the why that is cast, and that the Governour
shall have their attendance, of what they
the Governour appoint from time to time.

It thinketh fit by his Commission, and also to
place at the Governour shall think fit.

and that the Governour of the upp house be desired
the Governour, and that a law be drawn up for that

with their
purpose.

Mr. Council Mr. W. did not to the upp house with the Governour.
they returned.

The house adjourned with two of the Clock in the afternoon.

22th February 1674. afternoon.

house called at 4 o'clock and the speaker.

The order for the
and the Governour

religion of David Duhalloway Anthony Desford
and that he be and signed by the Governour.

Mr. Council
relating to Governour
Commission

from the upp house acquainted this house they are
this house in their last two votes relating to
the Governour

ordered that Mr.
special Grants and
Mr. Council
only the first Act for the
passed they returned

The Clerk of this house draw up the Law for
the house to morrow morning.
to the upp house to show this house they
have possession in Relation to Oldmores head

And Mr. Freeman from the upp house acquainted this house that in
