

Resolved, Mr. Speaker Issue his Warrant to the Keeper of the Great Seal thereby requiring him to Issue his Ma^{ty} Warrant of Election to the Sheriff of Baltimore County for the Choosing of a new Deputy to serve for that County instead of the said Mr. Matthews as aforesaid Deceased -
Mr. Thomas Greenfield appearing in the House and already he was now his Ma^{ty} High Sheriff of the Province of Georgia County - and thereby incapacitated to sett in this House is Dismissed -

Resolved Mr. Speaker issue his Warrant to the Keeper of the Great Seal desiring him to send out his Ma^{ty} Warrant of Election for one Delegate to serve in Calo. County in the stead of the said Mr. Greenfield - as likewise his Ma^{ty} said writs for the Electing of four new Deputies or Delegates for the Province of Georgia County - according to Act of Assembly -

Mr. Henry Denton Clerk of the Council -
Came down to the House and presented the following Proposals - of which his Ex^{ty} recommends to the House that they will consider being for the publick Use and benefit -

Proposed by his Ex^{ty} to this House -

That a Law or Ordinance of Assembly pass for Separate Rooms to be made in the New Stat. House for the several Offices - viz^t -
for the Provinciall Court Office - Land Office - Comptroller Office, County Court Office, and Clerk of the Councils Office, and that a Barr be placed at the door of each Office within which no person so ever shall come save the Clerk - and that no Clerk carry any Records books or publick papers out of their respective Offices without sent for by his Ex^{ty} the Governour or Assembly - that there be two or three small Jury Rooms made and a passage through the Middle of the House; so that on the one Side the said Rooms may lay and one of the other Side the Offices -
That the Court House Table have several boxes made in it for the ready laying by of the Securing the Clerks and Lawiers papers, that there be a Convenienc within the Barr for the Grand Jury to be kept together in, a Seat for the Cyer made to sett above the rest of the People an outward Barr for the Prisoners, and a Step or two for the Witnesses to stand to be seen above the Rest - and one or two Gallerys, and that the Court House be paved at least six foot wide with good Stone of Oyster shells to be layd round the House at the lower end, where it is most Damndful, and that the pavement come upon that, to be laid with a descent every way to carry the water off - That the said House be proled in at the same distance the porch bears from it, that at some distance from thence several posts be sett up to hang Horses on.
To contrive a pissdial, and house of office some where near the Stat. House from the first Story above - &c -
To have the back porch as bigg as the fore porch, and to have an other
