For ye Vestry, to send a Copy of their whole proceedings (as by them kept)
to ye Gov. and Councill in Order to be examined, and so to be done & ready
to be signed by ye Minister, all ye Vestry men and Church and Churchwardens
and first for fear of any Accident of Fire that Because maybe had
to them - ~~2nd~~ that it maybe seen whether they keep their acc^t. registered.
And that after such examination they be transmitted into the Court of
Chancery there to Remain.

Resolved that a Bill be prepared therefore -

6th That an explanatory Law be made how ye Clerkes of the Vestry
and parishes shall be paid.

7th To have a Generall Law made against persons that take up wild
horses and keep them - that persons Meeting with any Wards & stray
horses about any plantation be obliged to take them up, and
carry ye same to ye next Magistrate, who (if the said horse be taken up
upon the Western Shore) is to send an account thereof to ye port of
Annapolis with the Colours, Marke and Gyrd - And if on the
Eastern Shore to the port of William Starbuck, that Encouragement
be proposed to ye takers up. That a clause be added to the act
appointing Ferrys that no led horses be ferried over potomacke
River but such as shall furnish regular passes, and that ye Ferry
men be they Sett Over any Ordinary Man with a
good

voted and Resolved that a Law be Considered of to prevent
the great abuses of persons driving horses in the woods. as for
carrying horses over potomacke out of this province into Virginia.
there is an Act or Law of that Colony w^{ch} it.

8th To Strengthen the Law for regulating ye Militia according to former
proposalls w^{ch} in giving them more power.
put to ye Question and Resolved, that there is already sufficient
power given them.

9th That a Law pass to effect what his Ex^{ty} Proclamation touching
Pennsylvanias Trade) bearing date the 17th of August past and another
Proclamation prohibiting Seamen travelling without passes
and bearing date ye 25th of January following hath prescribed.

voted that there is a Law already sufficiently providing against
persons travelling without passes - and this House are induced to
believe such strict handling of Seamen will obstruct and hinder
our Navigation designed. they being thereby terrified coming into this
province.

10th That an act pass no Testimoniall be sent out of England (whereby
to prove a judiciall proceeding) be taken for good and Authentick;
unless the same be signed and come out of ye plantation officers.
