

11<sup>th</sup> That the proclamation a<sup>g</sup>t<sup>o</sup> Exportation of Coare be taken off: Asented to by the House.

12<sup>th</sup> That a Law be made to oblige the Severall Counties to Keep the Publique their Respective Countys well fixed and in

of County Charge.

And that

Have the Custody of any

three particular

to be transmitted, one to the

Provinciall Court - one other to the Clarke of the Councill and the third

County Court where such arms are lodged to

the s<sup>r</sup> Severall offices - and that when any Officers having the Custody of any such Publi<sup>c</sup> Arms or Ammunition) dies, that it be provided in the Law to oblige the next Magistrate or Justice of the Peace immediately to repair to such officers house and there examine the said Arms by the Receipt given, and to take Care to secure untill further Order.

And in Case it be found that any Imbezill<sup>m</sup> hath been Made of any such Arms or Ammunition that then Satisfaction be made for the same out of such deceased Officers Estate before any other Debts whatsoever paid, and that a Clause be made that none of the s<sup>r</sup> Arms or Ammunition be made use of unless in Case of Rebellion or Invasion (which God forbid) under a penalty of paying tenfold the value of such Arms and Ammunition so made use of.

13<sup>th</sup> That a Law be made to oblige the Masters of Shippes for to change what Publi<sup>c</sup> powder is found necessary to be changed, unless the same be so very bad that it cannot be fired away in which Case all such powder is to be sent for England to be new done.

The said proposalls referred to the Committee of Lawes to Consider of a Law therefor.

14<sup>th</sup> That the ... by divided and named anew and them.

When any ... to this House they will be deemed for the same.

15<sup>th</sup> That the ... fined at their proper Charge three or four ... Shall be directed to be sent for, whereby they ... to govern themselves, the Charge whereof will not amount to above twenty or thirty Shillings.

Thought that s<sup>r</sup> Severall Vestrys will provide therefore.

House adjourned till 9 a Clock to Morrow Morning.

Thursday Sept<sup>r</sup> the 24<sup>th</sup> 1696.

The House Met: - and proceeded further to Debate and Resolve upon the proposalls yesterday layed before them Viz<sup>t</sup>.
