

to let this Province do something towards purchasing of Books which
maybe not only beneficial to present but to future ages.

It is therefore proposed that the House would appropriate one hundred
pounds of what shall hereafter accrue upon the said Impositions to the
purchasing such beneficial and necessary books for the propagation of
Good Learning and Virtue.

Signed & Order,

W Bladen Ch. Council.

Put to the vote if the act Entitled an act for the preventing the great evil
occasioned by the Multiplicity of Houses should be revised or not.

Carried in the Negative.

By the House of Delegates Nov. 11th 1698.

The hon^{ble} Coll. John Addison and Thomas Brookes Esq. Enter the house
and present the following Message.

By the Council in Assembly Nov. 11th 1698.

This Board not knowing what Misunderstanding this House may have
concerning the bills proposed for regulating of Marriages and Granting Mar-
riage Licenses and for the promotion of Learning and advancement of his
Maj^{ty}s three schools, do propose that the house will appoint some of their
Members to confer with his Maj^{ty} hon^{ble} Council thereupon.
