Have sent a Warrant [illegible] to the Majesty. Government to destroy the Kings Arms and [illegible] Ammition, the Towne, and all that was necessary to render this Government safe and secure and we doe in a very dispassionate manner returne you our hearty thanks for the great care and prudence you have shewn in the preservation of all those things and the preventing the effect of soe dangerous a Conspiracy, and we doe humbly pray that your Excellency would be pleased to give order to the Attorney Gen.ll to prosecute all such persons as now are or shall be found to be in the said Conspiracy.

We also give your Excellency our hearty thanks for the great trouble and care you have been pleased to putt your self to in procuring the Virginia Law for Settlement of Ports in that Colony for our perusall and consideration, whereby we have been enabled to state things in relation to Townes here so as we hope not to be out done by that Government,

I.d Tis want words to express our gratitude to your Excellency but hope that that Benigne temper with which you always treate us will excuse what may be wanting upon so Solemne Occasion
