Bill relating to the Electing and Summoning Delegates
 and the following Message

By the Councill in Assembly Decemb^r 15. 1708

In Compliance with your Message by Cap^t Phillips and three
 more of your Members we are willing to pass the Bill for Electing
 Delegates without the Clause obliging the freeholders since it is not
 used in Great Britain, where they are more carefull of their
 Interest

But as to other clause omitted notwithstanding your Assertion
 that you can't see it any ways in derogation to her Majestys pro-
 -gative We cannot be of your opinion because it leaves indisput-
 -able a Right in the Crown fully Asertain'd in the present Law as it now
 stands, therefore we cannot agree to that bill as proposed unless you
 Consent to the Addition thereof.
