

With them the Bill for continuing the process and delivers
Mr. Speaker the following Message

By the Council in Assembly Novemb^r 1st 1709
In answer to your Message by Mr. Campbell and three other
of your Members. This Board say that it has not been
practicable in this Province to pass any single Bill before the
conclusion of the Session, and the effect of this Bill is as
easily provided by a Bill to revive the process of the said
County Courts and empower them to hold Courts the last Tuesday
of this Month. The People will not be sooner eased of
their apprehensions by the Bill proposed than by their Representa-
tives, acquainting them of the Reviving Bill, being past for their
reliefe which will be done at the same Charge.

Sign'd J. order W. Bladen & C.

Upon Reading whereof It is Order'd that the Committee of
Laws prepare another Bill as propos'd.
