

find no receipts nor how the said Arms have been disposed of, we can give no direct Account, But suppose them to be part of the arms and Ammunition now found by the said Committee in the hands of Cap^l John Young.

And as to the 3^d of the Arms, we have not the Accounts from her Majesty's Receiver General, cannot Report how the same has been disposed of, But humbly Move an Order may Issue from this House, to cause M^r John Rouby her Maty^s present Receiver to appear at the next Session of Assembly to bring in all such books and papers relating to the 3^d of the Arms as belonged to M^r George Plator Receiver General and to render an Account how the same has been disposed of Since he has been Receiver that then it may appear how the said Money has been appropriated, and further we Report that there came to our hands an Account of M^r John Rouby's Comencing from the third day of April 1707. to the Third day of Appril 1709. being for the 3^d of the Arms that in that time there has been Exported out of this Province 20402 lbs of Tobacco at 3^d of the lb. is 356:0:6. and that by the said Account we find that he has deducted out of the said money his Salary at the Rate of one hundred pounds Annuum which amounts to 540^l. — which said Article we humbly conceive unjustly stated and ought to be deducted out of the fines, and other her Maty^s dues and not wholly out of the 3^d of the Arms. An Order Com^d therefore

which being read the House concurr'd therewith and Order'd that M^r John Rouby lay his acc^ts and M^r Plator's acc^ts and all other the Receiver Generalls are enjoyned to lay before this House their Accounts by the next Session of Assembly, and that the Coll^l or Command^r in Chief of each respective County, make report to this House, what publick Arms and Ammunition there is in each County — And the aforesaying Report and the Consideration thereof is refer'd till next Session
