

And well assured you have now a great power to redress the
 Aggravances of the people we represent by under a cover and if
 your Honors do not think fit to it, we shall leave it fairly
 on our Journals to appear that we have done our duty and
 endeavours, and if we cannot remove and have their Aggravances
 removed, we are resolved to lay on them no burthen or oppression
 by assenting to any Act to tax them with any publick Levy
 and therefore desire to returne to our families
