

Many great disorders are committed by Indians when in Drunk, and of the too frequent ill practice of persons selling them great quantities of Liquors, and also that some Evil people have not been wanting to raise utter and spread sundry false reports tending to Create Misunderstandings and Jealousies between us and them, We have thought fit therefore to recommend the Bill herewith sent you for preventing thereof

Further we have thought it expedient to send some worthy discreet persons to the severall Nations of the Indians to caution them to ~~advise~~ advise them <sup>of</sup> the penalty our Law inflict upon severall offences they have made thereof and may hereafter be guilty of and that we expect the offenders should be deliver'd up to Justice upon any just Complaint against them for any felony Larceny monies battery or the like Misdemeanours by them committed which we hope will be a means to keep them in good order
