

Land in Dorc. County called a Sector we must after to our opinion  
that your indorsement thereon is not parliamentary but mistaken  
and what is hinted by you of Reading a Bill not pass the last parlia-  
ment or a new Bill on installing the Speaker is noe rule for find-  
ing up a Bill to the Upper House with sundry Endorsements made by the  
last parliament but it must begin a new, viz Cooks Jurisdiction  
of Courts Tit. parliam. ch. 27. and 28. — And now as to the  
Substance of the Bill we have fully debated it at this Board and  
will not take upon <sup>us</sup> to pass any act to dispose of the Lord Propri-  
etarys Lands or direct his Grants thereof — And therefore  
refer towards him to take their Course at Law to oblige the  
Lord Proprietary to doe them Justice in Case it has been denyed  
them — Signed & order W Bladen C. Council.
