The Hon^{ble} J^{ts} William Holland and Samuel Young Esq; from the Council enter
the House and deliver Mr Speaker Bill ascertaining Attorneys Fees and the
following Message By the Council in Assembly December 14th 1708
Upon reading the Bill ascertaining Attorneys Fees we recommend the Sum
of 500^l Tobaco in Lieu of 200^l to all Attorneys prosecuting or defending any
Cause Plaint or Action of what Nature soever in the Provincial Court to final
Judgment, Agreement or other End, for any Fee in the High Court of Chancery
Vice Admiralty or Writs of Error and Appeals before the Governor and Council
500^l Tobaco The Fee in Comm^{rs} Court 400^l Tobaco We think the words
we receive take may be well omitted in the said Bill for that we never heard any
Persons practising the Law or others were ever prohibited from receiving any Fee
Gratuity or Reward from their Employers who judged them worthy thereof. Further
we recommend that it be inserted in the last Clause of the Bill that all Persons
whatsoever practising the Law shall be first licensed by the Governor and Council
for the Time being before admitted by the several Courts who shall notwithstanding
have the Power of such Admission by swearing them and likewise suspend on
just Grounds
